Item 7.01 Regulation FD Disclosure.

On November 12, 2020, Oceania Cruises announced that the launch of its 2022 Europe & North America Collection of voyages resulted in a record-setting day for a summer-season launch. The record day represented a more than 20% increase over the line's 2021 Europe & North America season launch which occurred in August 2019. More than 90% of the reservations were new, cash bookings with less than 10% using future cruise credits issued for previously cancelled voyages. Additionally, one-third of the reservations were from first-time, new-to-brand guests. Due to potential cancellations of cruise voyages and updated cancellation policies, bookings may not be representative of actual cruise revenues.

The information furnished with this report is being furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any other filing under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.
